Hahnemühle Bamboo is the world's first FineArt inkjet paper made from 90% bamboo fibres, for a natural look and environmentally friendly paper production. The natural white, warm-toned bamboo paper does not contain optical brighteners, and stands out thanks to its soft, lightly textured felt structure and sensual feel.

Hahnemühle Bamboo Gloss Baryta is acid- and lignin-free and meets the highest standards for age-resistance. The unique blend of sustainable bamboo fibres, soft surface texture, and remarkable print quality infuses artworks with unparalleled expression and depth.

Hahnemühle Agave augments the Natural Line with a FineArt inkjet paper that is produced using agave fibres. 70% of this unique, environmentally friendly FineArt inkjet paper is made from sisal fibres.

All eco papers are acid free and roughly 300 GSM in weight.
